Saco

Mold + Mildew Remover

RTU | Apple Scented

Saco is a powerful chlorinated multi-purpose cleaner that can be used in the kitchen, bathroom, and in the patio with equally impressive results. In the bathroom, it quickly removes tough mold and mildew without damaging most surfaces. In the kitchen, it rapidly bleaches coffee, tea, and food stains, and removes tenacious adsorbed oils from plastics, china, glass, and metal surfaces. In the patio and outdoors, it's very effective on vinyl and plastic furniture, cement pool areas and more.

DIRECTIONS FOR USE

Avoid prolonged breathing of vapor. Use in well-ventilated areas. Open windows and turn on fans before use. If vapors bother you, leave the room. For sensitive skin or prolonged use, wear gloves. Turn sprayer nozzle to spray position: Spray on glazed ceramic tile, grout, tubs, fiberglass, shower doors, vinyl shower curtains, sinks and no-wax floors. Allow mildew stains to disappear, then rinse well. Rinse immediately after use on rubber or vinyl, bath mats and items such as shower curtains.

WARNING HAZARD STATEMENTS

May cause eye and skin irritation.

PRECAUTIONARY STATEMENTS

Wear protective gloves, splash goggles and protective clothing. Do not breathe mist /vapors /spray. Wash thoroughly after handling.

FIRST AID

Eye Contact. Check for and remove any contact lenses. Flush with large quantities of water, holding eyelids open for 15 minutes. Seek medical attention if symptoms persist. **Skin Contact.** Wash skin with copious amount of water. Seek medical attention if symptoms persist. **Inhalation.** Remove to fresh air. Seek medical attention if symptoms persist. **Ingestion.** Do not induce vomiting. Drink copious amounts of water. Seek medical attention immediately.

STORAGE

Store in original container protected from sunlight, in a well ventilated area, away from incompatible materials, and food and drink. Keep out of reach of children.

SPILL/LEAK

Put on appropriate personal protective equipment. Move container from spill area. Dilute with water and mop up if water soluble or absorb with an inert dry material and place in an appropriate waste disposal container.

DISPOSAL

Dispose of material in accordance with local, state and federal regulations.

HAZARDOUS INGREDIENTS

Sodium Hypochlorite (7681-52-9)
