Lincoln Solid Flatware Presoak

Fragrance Free

Lincoln is a solid pre-soak that loosens, softens and soaks away food soils and films from silverware, stainless steel, flatware and glass. It contains a blend of detergents and water conditioning agents to safely loosen soil without attacking metal or dishware. It can also be used to detarnish silver.

DIRECTIONS FOR USE

1. If silver plated flatware is being detarnished, line the bus pan or pail with aluminum foil. 2. Dispense solution of product and warm water into a bus pan or bucket. 3. Place flatware, utensils, or other ware in presoak solution for 15-30 minutes. 4. Remove items from presoak solution, place in racks for dishmachine. 5. Process items through dishmachine. If washing silverplated flatware, use a detergent without chlorine and a non-chlorinated sanitizer. 6. Replace the aluminum foil at least every two hours or as is needed for detarnishing.

WARNING

HAZARD STATEMENTS

Causes skin irritation, causes serious eye damage.

PRECAUTIONARY STATEMENTS.

Wear protective gloves and eye protection.
Wash thoroughly after handling.

FIRST AID

Eye Contact. Check for and remove any contact lenses. Flush with large quantities of water, holding eyelids open for 15 minutes. Seek medical attention immediately. **Skin Contact.** Wash skin with copious amounts of water. Seek medical attention if symptoms persist. **Inhalation.** Not applicable. **Ingestion.** Do not induce vomiting. Drink copious amounts of water. Seek medical attention immediately.

STORAGE

Store in original container protected from sunlight in a well ventilated area, away from incompatible materials, food & drink. Keep out of reach of children.

SPILL/LEAK

Avoid runoff into storm sewers and ditches which leads to waterways. Vacuum or sweep up material and place in a designated waste disposal container.

DISPOSAL

Dispose of material in accordance with local, state and federal regulations.

HAZARDOUS INGREDIENTS

Trisodium Phosphate (7601-54-9)
Disodium Trioxosilicate (6834-92-0)
Sodium Carbonate (497-19-8)
