Salem

Silverware Presoak + Detarnish

Fragrance Free

Salem is safe for use on all metals and is highly effective in removing various soil loads and types. Salem removes tarnish from stainless steel and silver flatware. Salem delivers sparkling silverware and stainless steel results.

DIRECTIONS FOR USE

For presoaking stainless steel flatware and other tableware. 1. Add recommended amount of Salem per gallon of warm (110°-140°F) water. 2. Remove as much soil as possible before submerging utensils in presoak solution. Let stand in solution until soil is softened - at least 5 minutes. 3. Remove from presoak solution, rinse and wash in regular manner before the surface dries. 4. Change the presoak solution when the water gets dirty.

Recommended use range. Heavy Soil - 1.5 oz/gl, Medium Soil - 1.0 oz/gl, Light Soil - 0.5 oz/gl.

Detarnishing silver flatware and hollowware. 1. Add 1 oz of Salem per gallon of warm (110°-140°F) water. 2. Submerge aluminum foil or grid in bottom of sink or pan. 3. Place silverware in contact with the aluminum in the Salem solution. 4. Let soak for at least 5 minutes. Rinse, then immediately run through warewashing machine before the surface dries. 5. Replace foil when it turns black.

WARNING

HAZARD STATEMENTS

May cause skin irritation.

PRECAUTIONARY STATEMENTS

Wear eye protection. Wash thoroughly after handling.

FIRST AID

Eye Contact. Check for and remove any contact lenses. Flush with large quantities of water. Seek medical attention if symptoms persist. **Skin Contact.** No known significant effects. **Inhalation.** Not applicable. **Ingestion.** Get immediate medical attention. Do not induce vomiting unless instructed to do so by a physician or poison center.

STORAGE

Store in original container protected from sunlight, in a well ventilated area, away from incompatible materials, and food and drink. Keep out of reach of children.

SPILL/LEAK

Put on appropriate personal protective equipment. Move container from spill area. Dilute with water and mop up if water soluble or absorb with an inert dry material and place in an appropriate waste disposal container.

DISPOSAL

Dispose of material in accordance with local, state and federal regulations.

HAZARDOUS INGREDIENTS

None
