Essex

Rust Remover

Pre-spotter

Essex is a ready-to-use liquid for use as a pre-treatment in laundry operations to enhance removal of rust stains from fabric. Essex effectively removes rust stains without the use of Hydrofluoric Acid. Can also be used in cases where heavy iron content is present as a rust removing sour.

DIRECTIONS FOR USE

Apply Essex from spout of bottle. **DO NOT RUB IN WITH FINGERS.** Wash immediately. Use on metal stains such as iron. Old stains may require several applications. Essex is safe for use on most colors and fabric types. Test on a hidden area of garment before applying to delicate fabrics.

DANGER HAZARD STATEMENTS

Causes severe skin burns and eye damage. Harmful if swallowed. May be corrosive to metals

PRECAUTIONARY STATEMENTS

Wear protective gloves, splash goggles and vapor respirator if necessary. Do not breathe mist /vapors /spray. Wash thoroughly after handling.

FIRST AID

Eye Contact. Check for and remove any contact lenses. Flush with large quantities of water, holding eyelids open for 15 minutes. Seek medical attention immediately. **Skin Contact.** Wash skin with copious amount of water. Seek medical attention immediately. **Inhalation.** Remove to fresh air. Seek medical attention immediately. **Ingestion.** Do not induce vomiting. Drink copious amounts of water. Seek medical attention immediately.

STORAGE

Store in original container protected from sunlight, in a well ventilated area, away from incompatible materials, and food and drink. Keep out of reach of children.

SPILL/LEAK

Put on appropriate personal protective equipment. Move container from spill area. Dilute with water and mop up if water soluble or absorb with an inert dry material and place in an appropriate waste disposal container.

DISPOSAL

Dispose of material in accordance with local, state and federal regulations.
